## Memory Care Redefined

A family affected by Alzheimer's disease was inspired to develop Parks' Place, a memory care community uniquely focused on residents, families and community.

by our family · for your family

### Welcoming Amenities

- Nestled in a wooded setting in western residential Plymouth, Parks' Place is near churches, shopping and professional services
- Secure building where residents can move about freely in a home environment
- Garage for vehicle access to unpack during resident move-in
- Covered, large front porch
- Upscale, executive home style interior and exterior design and finishes
- Vaulted ceiling throughout the lobby and community center
- Welcoming lobby gathering space with fireplace
- Sunroom with cozy seating
- Beautiful living room with fireplace
- Media room
- Private dining room for family gatherings and for resident activities
- Sun-filled sitting room with glass doors for quiet time
- Community kitchen where residents can participate in regular kitchen activities as they would at home

### Redefined Living

- Spacious suites, some designed for couples
- Private bathrooms with showers en suite
- Individually-controlled heat and air conditioning
- Delicious chef-designed breakfast, lunch and dinner daily
- Residents gather at the dining room table to enjoy meals together like a family
- Spa room with fast-fill, ADA accessible whirlpool tub
- Salon for hair and nail services for men and women
- Dementia-certified care staff on site 24 hours daily
- Nurses available 24 hours daily
- Specifically-designed for memory care living with well-organized spaces, familiar furniture and daylight lighting
- Proprietary, specialized memory care program focuses on ability rather than disability
- Individual plan of care enhances communication, celebrates abilities and rejoices in connections
- Meaningful ability-based activities help residents retain life skills and experience successes
- Family encouragement and support groups

In partnership with Cassia, an Augustana/Elim affiliation. A nonprofit organization, Cassia brings a long history of healing, compassion and renewal to residents.
